Created by Jim Killen, Puppies for Sale will warm your heart! This 8 piece collection is characterized by playful puppies and pick-up trucks. The featured 43" x 36" panel makes a great focal point for any quilt or wall-hanging. The like panel, the corresponding border stripe and all-over puppy are exquisitely detailed! A selection of prints coordinate beautifully the focal prints as do the suggested Toscana prints. Dog lovers will not be able to resist Puppies for Sale!
