## NO ORDINARY CATS by Bonnie Lemiare

There are No Ordinary Cats in this delightful collection created by Bonnie Lemiare, one of Northcott's newest designers. Cool cats, goofy cats, cuddly cats...every cat has a personality that will make you smile! A variety of tossed prints featuring cats, hearts and endearing sayings are offered in black, tan, beige and red. The featured block print is running yardage and is ideal for a quick and easy quilt, a focal point in a quilt or to deconstruct and use as blocks in any project. A selection of our best-selling Canvas blenders coordinate beautifully with the collection. Quilters and cat lovers will love No Ordinary Cats!
