# Pressed Flowers

by Kathryn Christensen

A small illustration of several flowers in shades of purple and blue with green leaves.

Pressed Flowers, created by celebrated watercolor artist Kathryn Christensen, is characterized by an assortment of beautifully crafted florals in various sizes. A selection of unique coordinates and blenders complement the featured florals while an assortment of Toscana prints complete the coordination. Pressed Flowers welcomes spring with a fresh palette of warm and cool purples and pinks and green accents and crisp white grounds.
