# My Mother's Garden

by Jamie Kalvestran

My Mother's Garden is the creation of industry veteran and talented quilt designer, Jamie Kalvestran. The collection was inspired by, and created in memory of her mother who was herself a talented quilter. Jamie's imaginative style is expressed in her bodacious blooms and fabulous foliage. A wide vartiety of unique textures and blenders complement the featured prints in a cornucopia of bold color from dramatic black, red, and orange to turquoise, green, and cream characterizes My Mother's Garden. A selection of Canvas blenders complete the ccollection.
