As with all Michel Design Works, Peony Passion tenders exquisitely detailed flora. Vivid pink and white peonies ranging from the deepest shades to the softest tints with leafy green accents play a starring role in this dramatic collection. Large-scale packed peonies and small scale tossed peonies as well as the beautiful border stripe are printed on both black and white. The medallion print is ideal for blocks, backing and fussy cuts. An assortment of mix and match coordinates and blenders play a supporting role in this fifteen-piece collection. A selection of premium quality Colorworks solids complete the Peony Passion.
