# Christmas Wonder

by Bea Jackson

Created by Bea Jackson, Christmas Wonder is filled with the anticipation and magic of Christmas. The main print features large blocks ideal for a quick-sew quilt or to deconstruct and rearrange in a variety of quilts and projects. The adorable little girl featured in the main prints brings the magic and wonder of Christmas to life by decorating the tree, making cookies, and catching snowflakes. A variety of multi-directional prints in red, green, and turquoise feature sweet treats, presents, stripes and a quilt pattern. A selection of Toscana prints completes the coordination.
