Out To Sea

by Hafsa Iftikhar

Ahoy Matie, put on your sea legs and check out this adorable collection created by Hafsa Iftikhar. Out to Sea features a 36" x 43" panel, sized perfectly for a crib or lap quilt. It also makes an ideal focal point for a larger quilt. Seafaring sailboats and tiny tugboats as well as whimsical whales and silly seagulls take center stage. Lighthouses, hot air balloons, anchors and lifesavers play a supporting role in multi-directional tossed prints. Out to Sea is artfully illustrated in watercolor and features a palette of watery blues with accents in yellow, red, and white. Get ready for a briny adventure with Out to Sea!
