

Artisan Spirit **Imagine**

by Deborah Edwards

Gemstone • 48 1/2" x 64 1/2" • By Jean Boyd of Patterns by Jean Boyd

Imagine is an explosion of color in textural brilliance created by Deborah Edwards. The collection features six color palettes that range in value from light to dark including: Amethyst, Azurite, Emerald, Sapphire, Fire Opal and Charoite.

Highlights: Each color palette offers a beautiful ombre in continuous running yardage • There are two multi-color nebula prints that are also continuous running yardage and unite all of the patterns and colors • There are beautiful easy-sew panels featuring silhouettes of butterflies, moose, deer, birds and a unicorn.

Visit www.northcott.com to see the entire collection and projects, and use the product finder tool to find a local quilt shop that carries these vivid fabrics!
