

# The Scarlet Feather

by Deborah Edwards

Turn cold winter landscapes into something warm and cozy with traditional Christmas colors. Set against a distressed woodgrain background, *The Scarlet Feather* by Deborah Edwards features lush green wreaths, poinsettias, holly, pinecones and striking cardinals.

**The Scarlet Feather** offers a selection of charming rustic-style holiday prints that are perfect for mixing with the featured panel and border strips. Use the easy-to-make placemats, tree skirt, apron and oven mitt Project Panels to create feather decor that can be coordinated with a selection of Toscana borders.
