

SOLARE BOM – PATTERN CORRECTIONS

Month 10 - Page 43, Step 3: Should say 'Sew the $5\frac{1}{4}$ " Fabric 7 triangles onto the Fabric 10 portions of the Step Two unit.'

Finishing Section - the diagram for the Eight-Pointed Star Block on page 69 and 72 is reversed from how we show you to complete it on page 51 of the pattern.

Shop Manual - the diagrams for cutting Fabric 3 and Fabric 7 on page 37 are reversed. The text is correct, but the diagrams (that show the templates) for the two should be switched. (Note: both show you to cut 4 of each template from a 4" x 20" piece of fabric, which is correct.)
